Forecast For London & Southeast England
Issued by Met Office Exeter
at 0400 on Saturday 30 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Band of occasionally heavy rain clearing eastwards during Saturday.

Today:
A band of occasionally heavy rain, lying across western areas, will soon push across the region, with bright and breezy conditions following, accompanied by some sunshine. Rain clearing Kent around midday. Following showers mainly affecting coastal areas in afternoon. Maximum temperature 15 deg C (59 deg F).

Tonight:
Mostly fine with clear spells overnight but coastal showers are still likely. Cloud increasing through the night with freshening winds, rain reaching western areas later with coastal gales developing. Minimum temperature 6 deg C (43 deg F).

Sunday:
Broadening band of occasionally heavy rain crossing the region on Sunday morning. This clearing to sunnier conditions through the afternoon with a few sharp showers. Remaining breezy. Strong coastal winds. Maximum temperature 14 deg C (57 deg F).

Outlook for Monday to Wednesday:
Monday bright and breezy with showers, mainly near coasts. Winds decreasing. Tuesday perhaps cloudier with rain or showers. Wednesday bright with any showers most likely in afternoon Feeling colder.
